- Led swim meets
- Taught a group of 5-10 kids to swim
- Supervised for their safety to keep them from harm
- Educated proper pool etiquette

EXPERIENCE

Boulder Emissions Project ([Link to project](#))
Python Coding

Fall 2020

- Acquired two datasets looking at Boulder and US emissions by state dataset
- Computed the datasets to compare to one another to see how Boulder stood up with Colorado, other states, and the US as a whole
- Conceptualized graphs to show the difference in Boulder and other states
- Explained what I found when working through the data sets
- Presented my findings in a simple matter showcasing key points in regards to Boulders emissions

Uber Eats, Denver, Colorado
Driver

Summer 2020

- Driver/Deliverer
- Provide food to families and businesses throughout the Denver metro area
- Learned importance of customer service
- Managed my schedule to earn the most per day
- Documented mileage and gas rates while driving

SKILLS

- Proficient computer skills including Python, Pandas, SQL, and HTML
- Able to work as a motivated and engaged member of a busy team
- Design, implement, and maintain surveys
- Strong Interpersonal, organizational, and communication skills
