Email: jknemail30@gmail.com Phone: 720-775-8722 Located: Denver

EDUCATION

University of Colorado, Boulder, CO September 2018 – May 2022
Bachelor of Science with Distinction (3.75 GPA)
Information Science (Major), Business (Minor)
Regis Jesuit High School, Aurora, CO May 2014 - June 2018

LEADERSHIP

INFO Buffs club 2021-2022
CO-President

- Organize club events
- Communicate with companies and individuals to meet at club events to help students meet with people in the industry
- Generate creative ideas to bring in new members

Leeds Association for Information Systems (LAIS) 2021-2022
Incoming Technology Officer

- Manage the LAIS website
- Provide members with networking and professional development opportunities within the technology and information science field

EXPERIENCE

Fall 2020-2021

HTML Coding

- Created and designed my website in my own portfolio website using HTML, CSS, and Bootstrap
- Experimented with different templates and features within HTML, CSS, and Bootstrap
- Made three separate but connected web pages relating to my portfolio
- Performed front and back-end programming to make my website efficient and pleasing to look at
- [Link to Portfolio](#)

Boulder Emissions Project ([Link to project](#)) Fall 2020
Python Coding

- Acquired two datasets looking at Boulder and US emissions by state dataset
- Computed the datasets to compare to one another to see how Boulder stood up with Colorado, other states, and the US as a whole
- Conceptualized graphs to show the difference in Boulder and other states
- Explained what I found when working through the data sets
- Presented my findings in a simple matter showcasing key points in regards to Boulders emissions

SKILLS

- Proficient computer skills including Python, Pandas, SQL, and HTML
- Able to work as a motivated and engaged member of a busy team
- Design, implement, and maintain surveys
- Strong interpersonal, organizational, and communication skills

ADDITIONAL INFORMATION

- Volunteering with programs such as Project Cure and Ronald McDonald
- Red Cross certification for CPR and advanced lifeguard
- Intramural sports- Basketball & Volleyball
